# MAKER space

We have developed ART SPACE AT HOME to give you ideas for making art and playing together.

This sculpture marks the entrance to the art museum and welcomes the visitor with symbols of the lake. The right pillar resembles a rock shelf and life under the water, the left is a mooring. Between the two is a familiar boat shape like a discarded wreck.

## SALT DOUGH RECIPE

- 2 cups all-purpose flour
- 1 cup salt
- 1 cup cold water

- 1 Mix flour and salt together in a bowl. Slowly mix water, a few tablespoons at a time, into flour mixture until dough is smooth and easy to handle.  
Knead dough for 10 minutes and let rest for 20 minutes.
- 2 Preheat oven to 120°C.
- 3 Form dough into desired shapes and arrange on a baking sheet.
- 4 Bake in the preheated oven until dry and hard, about 2 hours.  
Allow to cool completely

## ARTMAKING

## WHAT YOU NEED

- Salt dough (recipe below)
- Sticks
- String
- Scissors
- Optional Paint / food colouring

## INSTRUCTIONS

- 1 Make Salt dough.
- 2 Make shapes that remind you of the lake out of dough.
- 3 Poke holes in shapes for hanging. You can use a skewer. Make two holes for big shapes.

- 4 Bake in a low oven for 1-2 hours. Let cool completely.
- 5 Paint if you like.
- 6 Use string to hang your shapes from a horizontal stick.
- 7 Hang your mobile out of the weather or inside.
- 8 Share your artwork with family and friends in person, on FaceTime or using social media #artwithmac

## MORE ARTMAKING

## WHAT YOU NEED

- Stick (for the mast)
- Leaves (for the sail)
- Wire or string
- Tape
- Plastic bottles with lids
- Timber, sticks or cardboard (for boat)

## BUILD A RAFT

When you are out for a walk, or exploring your yard, collect sticks, leaves and beautiful bits and bobs to make a raft.

- 1 Use wire or string to attach the mast to your boat base.
- 2 Add leaves for your sail.
- 3 Tape one or two plastic bottles to the base to keep your raft afloat.
- 4 Does it float? Test it out. Take a photo to share.
