PAPER PEOPLE PLEDGE FOR THE PLANET

THIS PROJECT:

To support BIG DRAW 21, we are making a community art installation at Wangi Library and Museum of Art and Culture Lake Macquarie (MAC) and you are invited to help make it grow.

PROJECT AIMS:

Encourage everyone to commit to making one positive change in their daily lives to help protect the planet and strengthen our community.

PROJECT OUTCOME:

Positive change and a creative display of community spirit. The joined 'Paper People' chain will go on display in October.

Everyone is invited to add to the installation.

This community project will be documented with photos of the installation. These will go on display later in the year.
